In the year internationally dedicated to **Impressionism**, GAM - Turin's Galleria Civica d'Arte Moderna e Contemporanea presents the 'Berthe Morisot. Impressionist painter' exhibition, celebrating the story and artistic career of the only woman among the founders of the Impressionist movement.

The exhibition retraces Berthe Morisot's life and career, from her beginnings in connection with her artistic and human association with Édouard Manet, to her full adhesion to Impressionist poetics.
